Statement of Claim: A*B*C*D=>

On 7.22.12 complaintiff was walking to his mother's house, but the complaintiff made a stop at his friend's house her name is Amanda Cintron. Around 7:49am she had to get ready for work and she also had to check on her son, so complaintiff left her ten minutes before which was 7:39am.

While complaintiff was on his way walking to his mother's house the police was on the left side of the complaintiff driving slowly, which complaintiff saw them but was busy texting on his phone. Then they hopped out on 102nd street, pushed complaintiff on a gate, through his phone to the floor, performing an act of Racial Profiling, Unlawful Stop-and-frisks, violation of my 4th Amendments (which is Unreasonable search and seizures.)

Officer THOMAS LEE and five other Officers refused to tell complaintiff why or what was he being stopped for. Officer THOMAS LEE asked complaintiff for Identification complaintiff did not have ID, so complaintiff gave the Officer(s) his full name, address and date of birth, then another Officer which the complaintiff believes is a SGT, approached complaintiff roughly grabbed complaintiff, called him a piece of shit, told the other Officers to cuff the complaintiff, which they forcefully restrained complaintiff and complaintiff was not even resisting arrest. There was no body who witnessed what happen.

On 7.23.12 complaintiff went to court and heard his charges which was false impersonation, the District Attorney did not have any Police report of which complaintiff would have fit the description of a person or person(s) that committed a crime.

Further more, complaintiff did have a witness who verified the complaintiff's Identification, her name is Brittany Brown, also the complaintiff would like to request an Attorney from Pro Bono.

Exhaustion of Administrative Remedies:

A.Did your claim(s) arise while you were confined in jail, prison, or other correctional facility? No.

F.Complaintiff did not file a grievance because this is not a grievance matter, it occurred outside of corrections.

G.Please set forth any additional information that is relevant to the exhaustion of your administrative remedies.

When complaintiff went to court on 7.23.12, complaintiff's witness stated that complaintiff's name and address were true and the court still remanded complaintiff on the behalf of the complaintiff is still on parole.

V.Relief:

State what you want the court to do for you (including the amount of monetary compensation, if any, that you are seeking and the basis for such amount.) Complaintiff is requesting monetary compensation of \$25 million, for the simple fact that the complaint has been violated of his 4th Amendments, Racial Profiling, Unlawful Stop-and-Frisks, and Harrassment. This issue has been occurring ever since 1.26.11 which complaintiff was released from Greene Correctional Facility. Furthermore, complaintiff feels like Parole and the Police Officers is forcing complaintiff to be considered Jail Institutionalized and they labeled the complaintiff a threat/ Menace to society, basically the complaintiff feels like his life has been taken away from him, and now Parole is trying to send the complaintiff back upstate because of the complaintiff's new arrest.
